

July 13, 2018

Dear Neighbor,

My series of meetings with neighborhood association (NA) presidents across District 1 has yielded positive results so far. I have learned more about community clean-up opportunities, potential neighborhood issues, and accomplishments. Going forward, I will continue to use your input to shape City policy and service delivery, especially as we prepare the budget for the next fiscal year.

I would like to invite you to join me in the auditorium at Jefferson High School on July 18th for a meeting about the Alamo. The meeting will cover the Alamo Interpretive Plan, including presentations of market research, traffic study findings and site archaeology. The meeting begins at 6:30PM at 723 Donaldson Avenue.

Last, I would like to remind residents that Stage 2 drought restrictions are still in place. Watering with an irrigation system is only allowed once a week between 7-11 a.m. or 7-11 p.m. and is determined by the last digit of your address. The schedule is as follows: Addresses ending in a 0 or 1 can water on Monday, 2 or 3 on Tuesday, 4 or 5 on Wednesday, 6 or 7 on Thursday, 8 or 9 on Friday. Hand watering is allowed at any time. For more information, [click here](#).

Have a great week!

Sincerely,

Roberto C. Treviño
City Councilman
District 1

P.S. The City Council will not meet in July. However, both staff and myself will be available to you. Please call (210) 207-0900 or email District1@sanantonio.gov.

Electric Scooters in San Antonio

Recently, there has been some buzz around the newest edition to Downtown - scooters. I am working with Councilman Rey Saldaña and the Transportation Committee to ensure these devices are being deployed safely and used smartly. If you elect to utilize a scooter, please be mindful of the following:

- Please do not obstruct the sidewalk when you park your scooter
- Please do not ride your scooter on the sidewalk
- With respect to pedestrians and traffic, please operate the scooter much like you would a bicycle

If you have any questions about motorized scooters in the downtown area, please contact the Center City Development Office Operations Division at 210.207.3677.

Councilman's Cleaning Crew

The District 1 Staff was out in the Colonial Hills community last weekend performing an alley clean-up off Briarfield and Dudley. Thank you to the residents who stopped by with snacks and water.

Alley maintenance helps improve public safety by reducing cover where criminal activity can occur, plus it helps to beautify the neighborhood.

Please contact Martza Carmiol-Yalico at Martza.Carmiol-Yalico@sanantonio.gov or (210) 207-0900 if you would like Councilman Treviño and the District 1 staff to set up a community clean-up in your neighborhood.
